What is the Hainan free trade port law?

On June 10,2021,the 29th meeting of the Standing Committee of the 13th National People's Congress passed the Hainan Free Trade Port Law of the People's Republic of China,which determined to establish and improve the Hainan Free Trade Port customs supervision special zone systemwith closed-off customs operations on the entire island.

Will Hainan FTP be a key gateway for China's new era?

“With the independent customs operations,Hainan FTP is poised to become a key gateway for China's new era of opening up and innovation,” Cai added. China's Hainan Free Trade Port (FTP) is set to launch an island-wide independent customs operation on Dec. 18,2025,underscoring the country's wider push for high-standard opening up.

What policies have been implemented in the Hainan FTP?

A number of policies introduced in the Hainan FTP have been effectively implemented,focusing on the areas of “zero tariffs,low tax rates and a simple tax system,” as well as the free and convenient flow of factors such as goods,capital and personnel.

What will the Hainan FTP entail?

Looking ahead,the Hainan FTP will prioritize promoting the free and efficient flow of key production factors,including trade,investment,cross-border capital,personnel and logistics,alongside the secure and orderly movement of data,according to Cai.
