Where can I Buy British-made industrial cabinets?

Talk to HSE Store for British-made industrial cabinets that raise safety, speed up workflows and deliver long-term value across your operation. Shop British-made industrial cabinets from Redhill, QMP & Armorgard. COSHH, flammable, PPE & tool storage.

Are industrial cabinets IP56 rated?

Available in five standard sizes, the industrial cabinets can be supplied with ventilation or without for IP56 rated protection. These IP rated enclosures have double skinned insulated walls and roof providing weather resistance, and a reinforced double skinned insulated door to provide optimum protection.

What are industrial cabinets & cupboards?

Industrial cabinets and cupboards are useful in a variety of different settings where storage furniture must be strong, robust, and long-lasting.

Which cabinets are IP rated?

If you need to specify a bespoke IP rated cabinet, the Double-Skinned Cadet(TM) offers insulated protection in heights up to 2000mm. Its marine grade stainless steel option offers optimum performance in the most extreme environments. Take a look at the full range of steel enclosures and cabinets.
