When will the Niue energy project be completed?

The project will be completed mid-2026 when the Government of Niue under the Department of Utilities and Niue Power Corporation (NPC) will take over the ownership. We anticipate savings of 816,000 litres of fuel and 2,202 tCO₂e in year one. It will support Niue to deliver on our climate goals and Nationally Determined Contributions (NDCs).

Are EnergySage storage installers pre-screened?

At EnergySage, we care about connecting shoppers to high-quality companies. As such, any storage installers we list above are active on the EnergySage Marketplace in New York and pre-screened by our team. What does it mean to be "pre-screened"? We evaluate every storage installer to ensure that they'll provide quality service to EnergySage users.

What types of energy storage systems does sigenergy offer?
