What size shipping containers are available in South Africa?

Perfect for large item storage, transport, and conversions. The most common container size available in South Africa, these 20-foot units are easy to locate, secure, and perfect for protecting your possessions. Available in 20 ft & 40ft sizes, usually in Blue & Green, these shipping containers are as close to perfect as you will get in South Africa.

Why are secondhand shipping containers so popular in South Africa?

This has been a world-wide phenomenon with most shipping containers now manufactured in China. Secondhand containers are a hot commodity when they reach the end of their shipping life. In South Africa there is an informal grading system which attempts to categorise these containers according to their cosmetic appearance.
